Transit Dispatch # 208-478-4069

## **Shoshone-Bannock Tribes' Public Transit Program**

### **PUBLIC SERVICE ANNOUNCEMENT**

The Shoshone-Bannock Tribes' Public Transit Program will be resuming services on May 18, 2020. Due to the on-going COVID-19 situation, there are safety items that **will** be followed for the on-going safety of the riders as well as the transit staff:

1. All riders will be required to wear a face mask while on the bus. If you have your own, bring it and use it on the bus.
2. Physical/social distancing-riders will be required to keep their spacing 6 ft. from other riders. **Please sit in designated seating only.** This will cause the buses from carrying a full load of riders so Transit may have to adjust some of the routes.
3. If you are feverish, coughing, sneezing, etc., **PLEASE DO NOT RIDE THE BUSES!**
4. **If Riders do not follow the safety protocols, drivers can and will not allow those riders on the transit buses.**

**Dispatch will ask the following questions those calling in for bus service.**

- Are you now or have you been sick?
- Have you been feverish?
- Do you have shortness of Breath?

Telephone:(208) 237-1954 Fax: (208)-237-6775

- 
- Difficulty Breathing?
  - Do you have a cough?
  - Do you have flu like symptoms?
